Project Team works better is going to be a combined mobility of youth workers and young people and is built on our previous project called Let's play. We want to focus on developing key competencies to teamwork.

The first part of this project was training course on 23rd October – 29th October 2016 in Bílá.

## PROJECT OBJECTIVES

- to focus on the development of youth cooperation in international groups
- to show young people that the game is, besides fun, also an effective way to develop the skills needed for their entry into the labor market
- to prepare together the block of non-conventional team games or sports
- to organize an event for children from primary school
- to gain the experience of working in international group
- to recognize their role in a team and learn how to use it
- will break their language barrier and learn how to communicate with people from other countries
- to become more tolerant of differences and to be able to cooperate also with young people with fewer opportunities and young people who are in a different age category.

## TRAINERS

### RoMi Michalíková

is involved in non-formal learning since 2007, she had been working as a youth club manager for 7 years. Nowadays she is a trainer of youth workers and a director of NGO Trendum, o.p.s. She is also a leader of a board games club in Ostrava and has a lot of experience with creating educational programmes focused on soft skills development.

### Honza Dvořák

We are prepared to find you information and best transport connections. When you'll know the time and date of your inbound flight or arrival to Poland or Slovakia, please contact Petr. He is in charge for your travel. His email is [mailpetrtomis@gmail.com](mailto:mailpetrtomis@gmail.com)

- Don't forget to buy your tickets as soon as possible. Don't wait because it will be daily more and more expensive!!! If you buy tickets for train transport in Czech republic, please buy collective tickets. It's cheaper than buying tickets individually.
- **We need air invoices and also boarding passes for all flights if you travel by air.**

## ACCOMODATION

- The accomodation will be provided in Hotel Bauer in rooms with showers and toilet. There is also a Wifi Access.

### Catering

- During the both events the participants will have the possibility to try typical Czech food. We are ready to respect any special needs. **Please, specify them in the application form.**

### We kindly ask you to bring with you:

- Some typical food or drink of your country, flags, posters to be displayed for the presentation of your country (please be brief and funny). It would be also nice, if you can prepare some funny words from your language that you can teach other participants.
- Outdoor clothes for outdoor activities – we will be just in the middle of the mountains and the weather in Czech Republic can change very quickly. Please be prepared that it could be really cold and a lot of rain.
- Swimming suit.

## WHAT TO PREPARE BEFORE YOU COME TO THE CZECH REPUBLIC

- **Presentation of your country** – maximum is about 30 minutes, please be as creative as possible. You can show some interesting videos, teach other participants some words, songs or dances or show some interesting or funny facts about your country. Don't make long powerpoint presentations based only on your speaking.
- **Block of team games or non-traditional sports** –every group should prepare a block of games or non-traditional sports based on team cooperation. The block should last 1,5 hour, maximum is 2 hours. Please keep in mind that the group of participants is really big, so you can choose more games and divide other participants to smaller groups and they can try all of them or you can prepare game for all group – it means about 45 people.

**It is really necessary to prepare both things before you come, because in the programme there will be no space to do it.**

## APPICATIONS, DEADLINES

- **deadline for sending the applications = 5th September 2017**
- Please send us only electronic saved applications without signature.
- For participants under 18 we need also original application form with signature of parent, you can bring it to exchange.
- **deadline for sending information about your arrivals (place,time) and ideally also about your departures = 10th September 2017**
- **it's necessary to provide the insurance for the days of your travel and the days spent on the project. Please, send us a scan of your secured insurance before your arrival to Czech Republic!**

For more information or any help with your block of games or presentations please contact Veri:
