AIMS OF THE PROJECT

This Youth Exchange want to tackle the issue of the non-critical use of Media and social media and want to create new tools, useful for participants, partners and all possible stakeholders. These tools will be a collection of guidelines and rules to encourage a responsible approach to the use of media.

OBJECTIVES:

- ⇒ Raise the awareness among young people on the issue through non-formal education activities making them more aware of the risks and consequences that can be encountered with inappropriate use of social networks
- ⇒ Spread this awareness through the use of videos and infographics within the associations and schools of the participants

- ⇒ Start a shared analysis on what may be the cause of problems we see in wrong use of media
- ⇒ Approach the opportunities E +
- ⇒ Develop in the participants competences such as teambuilding, sense of initiative and self-confidence
- ⇒ Strengthen and expand among the participants skills and knowledge useful for fostering a conscious approach to media to share with one's peers and adults
- ⇒ Create a list of rules and a video on the critical approach to the media resulting from the effort of the participants to be disseminated to the partner associations of the project and in the school contexts of the participants

VENUE FOR THE YE:

The Youth Exchange will be hosted in "Antico Convento San Francesco", a building property of the Municipality of Bagnacavallo, now managed by a young couple that has turned it into an affordable hotel.

The venue is an historical building in the center of this quiet town and has a lot of large rooms to work in groups, and also a cloister where, if the weather is not too bad, we could have our activities.

The wi-fi connection will be available only during the activities and the intercultural nights, to promote personal relations between the participants.

The bedrooms are for 4-6-8 people and every room has a toilet with a shower.
