Things you need to remember

- If you buy a ticket from the ticket machine, or inside the bus, you need to punch the ticket immediately after you get into a bus or U-Bahn or S-Bahn. The ticket is not valid without punching in the machine. In case you forget to punch, and a ticket checker catches you, they will charge a 60 EUR fine. Punching does not apply to an online ticket.
- If you search connection for the destination, there will be multiple options. Please take the one that is convenient for you. RE, RB are regional train and convenient options.
- The temperatures in Germany in April are quite cold with temperatures between 6°C and 16°C.
- Bring warm clothes with you, as the weather is sometimes unpredictable here.
- Bring your hairdryer who needs it as Hotel service does provide this.
- From 3 March 2022, every person over the age of 12 is obliged to carry proof of their COVID-19 status when entering Germany. Persons over the age of 12 must therefore have a negative test result or proof of recovery or vaccination when entering Germany.
- You can find all Corona regulations and information about your travel and entry in Germany in the given link below:
