# WHO WE ARE

**EuroDemos Youth Mobility NGO (EDYM NGO) is a non-governmental Organization based in Reggio Calabria with the main aim of building bridges of mobility, education and innovation in Europe and around the world in the sector of youth.**

**The Organization is highly committed to youth work: we do design and support educational programmes on the basis of youth needs and talents, expectations and professional orientation.**

**Our most relevant mission is to provide young people with learning paradigms of innovation through holistic methods, participate actively to tailor-made European Programmes, projects and non-formal education opportunities.**

**EuroDemos Youth Mobility NGO follows the European Youth Strategy and bases its activities on the 11 European Youth Goals. Our Team is composed by youth workers, educators and youth leaders with different experiences and competences.**

# The project

The Erasmus+ Training Course "GREEN" (Goals for a Responsible Environmental and Entrepreneurial Network) aims at carving into the sector of environment as a standpoint to grow entrepreneurship and employment, to provide development and save resources and energies.

The objective of the project are to:

- Adopt sustainable development as a daily approach to build economy, environment and society up
- Identify factors and diversity of living the environment realities in different European regions and countries
- Bridge entrepreneurial practices to empower local communities, from a regional focus to an EU scale
- Carve into the 7Rs by increasing the access to equal opportunities
- Create structural systems to implant local ideas based on a circular economy model coming from green heritage
- Mobilize youth work through Erasmus+ changing-life experiences.

# Travel conditions and instructions

## **Arrivals:**

The best solution is to travel to Reggio Calabria or Lamezia Terme airport. Alternatively, you can arrive Rome and then book a train or a bus to the final destination.

## **Prior any booking, you must:**

Contact EuroDemos via email ([edym.ngo@gmail.com](mailto:edym.ngo@gmail.com)) and present a travel route. You are not allowed to book until the Coordinating Organization allows you.

Proposals must be submitted as soon as possible and booked after EuroDemos confirmation.

## **Covid19 requirements:**

Participants must hold the Green Pass to come to the project due to the Italian regulation.

PCR test is not sufficient to take part in the project.

An extra antigenic test may be required and covered under the travel costs allowances per person.

See the annexed document on Covid19 measures.

275,00 EUR

# Travel allowances

360,00 EUR

# Reimbursements

To get your reimbursement we compulsory require:

1. eTicket / receipt / invoice of your booking;

2. Boarding passes/travel tickets in original, used to travel to/from Italy;

3. PCR/antigenic tests for Covid19 prevention - if allowed in the next months.

The 3 typologies of expense are cumulative of the travel costs established per participant.

**ATTENTION:** it is compulsory to have the Green Digital Passport for our project and eventually entering establishments and public places. An antigenic test is requested prior departure if you do not hold a vaccination.

Please, bear in mind that we cannot reimburse your travel costs unless we receive the mentioned documentation. To have your expenses fully reimbursed, please book 'two-way' tickets (incl. bus/train etc.).

Dates must be corresponding to the project dates of arrival and departure.

# Insurance

## European Health Insurance Card

All participants must have a valid EHIC to travel and attend the project.

If not, participants are required to have insurance cover for the entire duration of the project. Insurance is obligatory for your safety and health.

## About your travel and Covid19

We require that participants are having travels inclusive of insurance costs (as cancellation or delay, etc.) as in time of post Covid19 is a compulsory aspect to be safe and travel with coverage.

# Weather

**The climate is one of the hottest and most likeable of the country, with hot temperatures in the summer - bring sun protection and anti-mosquitoes protection.**

**Generally, July month fluctuate between 25° and 35°, so be ready for such temperatures. Some rainy days can happen as well, but rarely.**

**For weather forecasts you can check here**

**We suggest being equipped with hoodies anyway as evenings can be quite humid or windy, and to have both comfortable dresses and shoes, as you are requested to also have some casual smart suits. To close, we suggest to bringing umbrellas, as it may appear some short thunder storm.**

# What to bring

As we will have some online work, we kindly ask participants to bring their laptops and/or any electronic device that can be used to work on the topics, prepare activities and work on Youthpass. Please, take into consideration that all participants will have an online preparation with some tasks to develop the project (prior arrival).

We also remind you to bring:

- sun and mosquitoes protections
  - personal hygiene products (shampoo, toothpaste, etc.)
  - specific medicines (if you need any)
  - personal documents to travel
  - laptop and/or tablets that serve to work for the project activities (please, do not count only with your smartphones!)
  - materials and a presentation regarding your Sending Organizations
  - your Green Digital Passport and the European Health Insurance Card
- ...And don't forget to come with your best shining smiles!
