# Consejojoven is an NGO serving as the local youth council of Ciudad Real

EUROPEAN  
SOLIDARITY  
CORPS

We work on topics like youth participation, youth associations and promoting volunteering and other Erasmus+ opportunities for young people. Our work and most of our activities are based on collaboration with numerous youth associations, other NGOs and local authorities.

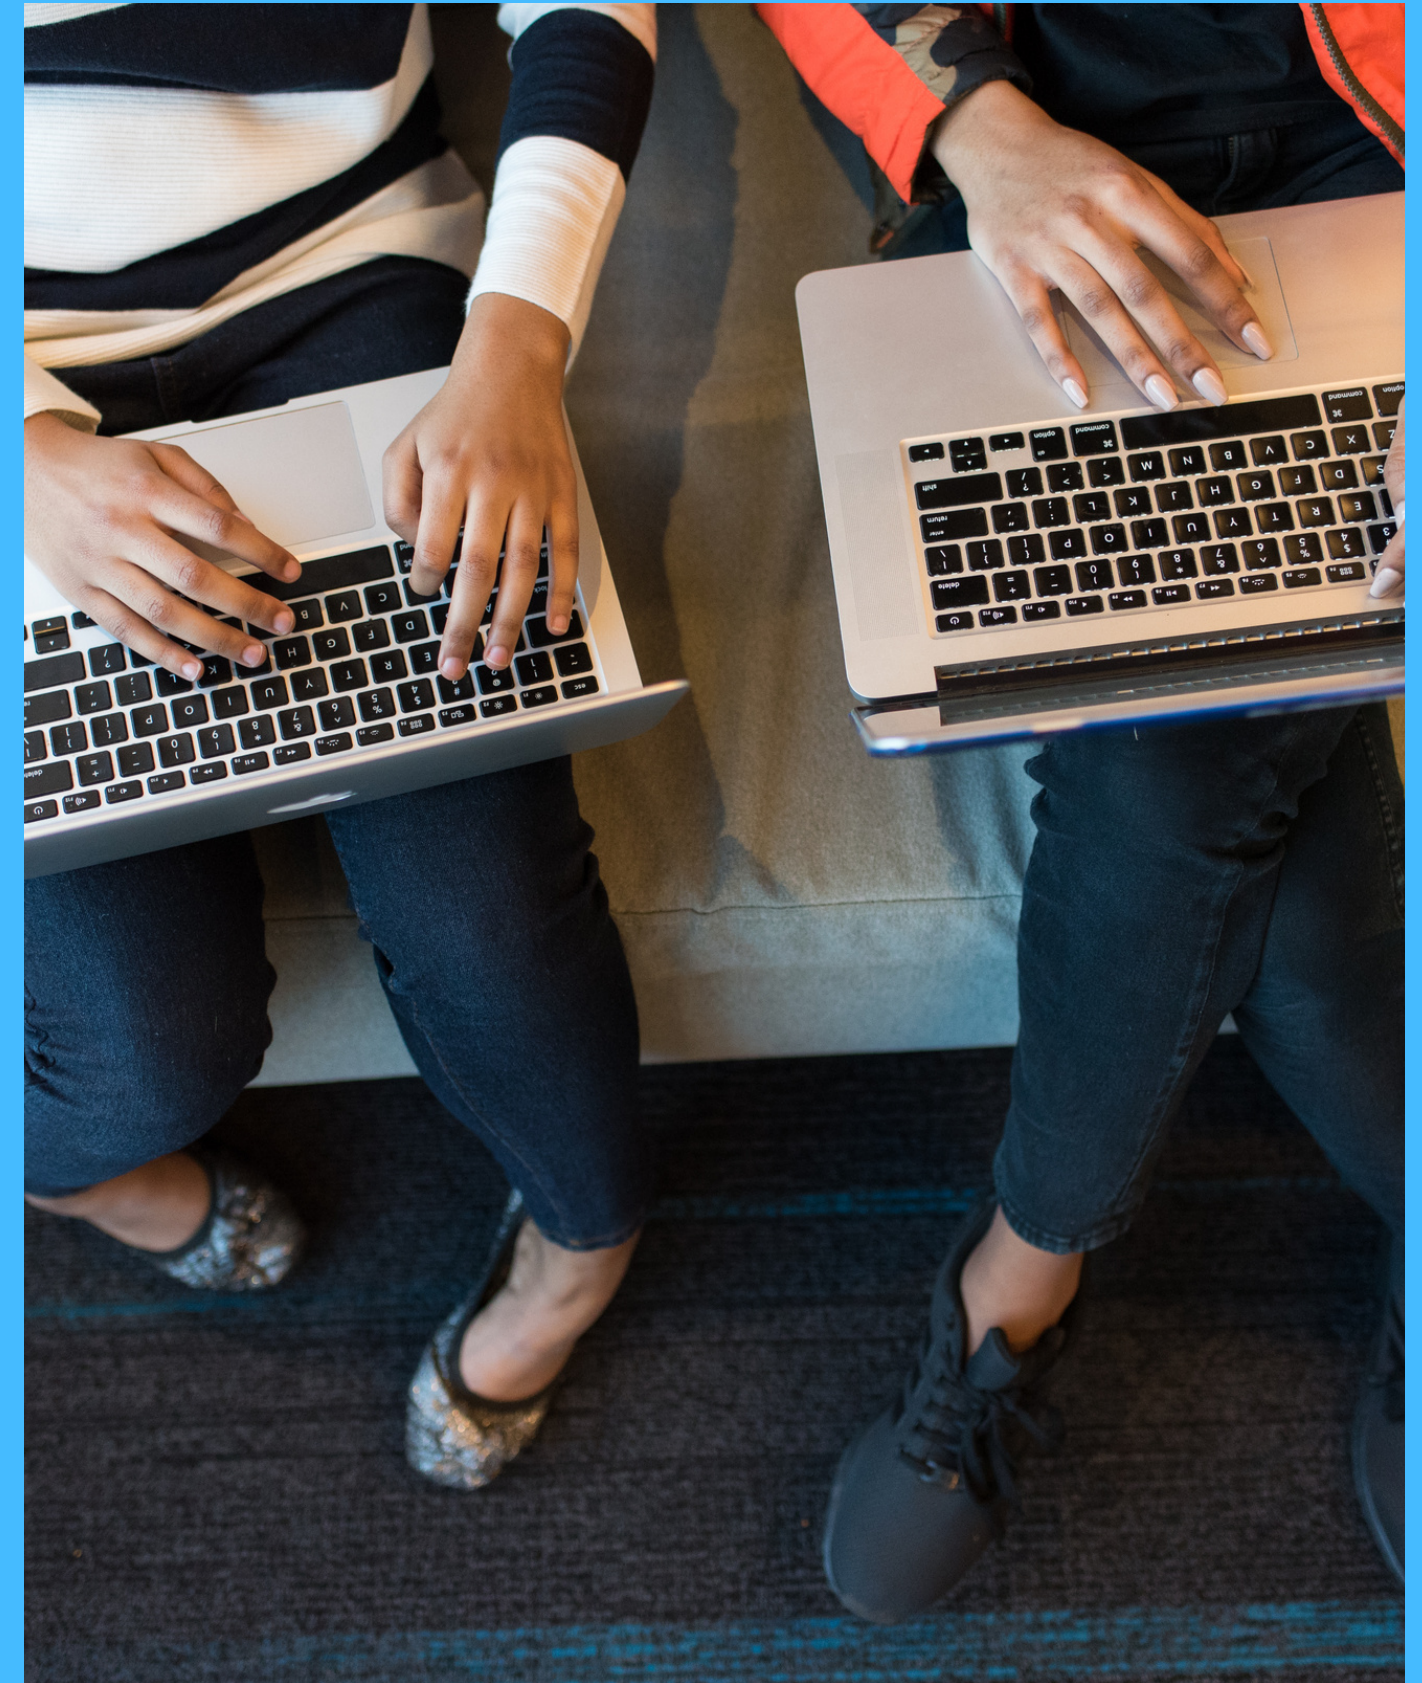

**We are looking  
for  
2 new volunteers**

## **Communication**

The communication strategy is directed towards reaching young people of our locality and province in an effective way. This volunteer will be in charge of the social media of the association and the creation of posters and banners.

## **Youth participation**

The youth participation part is oriented toward the support of youth entities of Ciudad Real, the development of youth participation.
