This study aims to assess how youth identities in Cyprus are evolving, based on the experiences of young people in Cyprus who have participated in both the formal education system and informal education-based peace programmes. This research seeks to understand the processes involved in forming young peoples' identities and memories in a conflict-affected society.

We are looking for volunteers who identify as **either Greek Cypriot or Turkish Cypriot** and who are **aged between 18 and 30** to take part in a short interview about their experiences of education and its role in forming their identities, memories and views about the geopolitical situation in Cyprus.

Participants should have experienced the formal education system in Cyprus AND some informal civil-society programmes promoting peace and collaboration in Cyprus. Those who have participated in the 'Imagine' programme, youth peace camps or any other bi-communal peace-making activity are encouraged to come forward.

If you fit the above profile, you are invited to participate in an interview to discuss your views. **You can choose whether you prefer to be interviewed online or face-to-face.** Each session would take about an hour of your time and would be conducted in English.

You would be asked to discuss your opinions and experiences of the geopolitical situation in Cyprus, your identity, your interactions with other communities and your thoughts on the future of your generation on the island. Interviews will focus on your experience of the schooling system in Cyprus and any other experiences you might have of civil-society peace-making programmes. You would be asked a number of set questions, followed by a more personal conversation about the themes outlined above.

Please feel free to share details of this study with any other potential participants matching the above profile.

If you are interested and would like more information, please contact Ethan Chandler on ethan.chandler@chch.ox.ac.uk. There is no obligation to take part.

Thank you!

Η μελέτη αυτή αποσκοπεί στην αξιολόγηση του τρόπου με τον οποίο εξελίσσεται η ταυτότητα των νέων στην Κύπρο, με βάση τις εμπειρίες των νέων στην Κύπρο που έχουν βιώσει τόσο το επίσημο εκπαιδευτικό σύστημα όσο και τα άτυπα προγράμματα ειρήνης που βασίζονται στην εκπαίδευση. Η έρευνα αυτή επιδιώκει να κατανοήσει τις διαδικασίες που εμπλέκονται στη διαμόρφωση των ταυτοτήτων και των αναμνήσεων των νέων σε μια κοινωνία που πλήττεται από συγκρούσεις.

Αναζητούμε εθελοντές που **αυτοπροσδιορίζονται είτε ως Ελληνοκύπριοι είτε ως Τουρκοκύπριοι** και οι οποίοι είναι ηλικίας μεταξύ **18 και 30 ετών** για να συμμετάσχουν σε μια σύντομη συνέντευξη σχετικά με τις εμπειρίες τους από την εκπαίδευση και το ρόλο της στη διαμόρφωση της ταυτότητας, των αναμνήσεων και των απόψεών τους για τη γεωπολιτική κατάσταση στην Κύπρο.

Οι συμμετέχοντες θα πρέπει να έχουν βιώσει το επίσημο εκπαιδευτικό σύστημα στην Κύπρο και άτυπα προγράμματα της κοινωνίας των πολιτών που προωθούν την ειρήνη και τη συνεργασία στην Κύπρο. Όσοι έχουν συμμετάσχει στο πρόγραμμα «Imagine», σε κατασκηνώσεις ειρήνης για νέους ή σε οποιαδήποτε άλλη δικοινοτική ειρηνευτική δραστηριότητα ενθαρρύνονται να προσέλθουν.

Εάν ταιριάζετε στο πιο πάνω προφίλ, καλείστε να συμμετάσχετε σε συνέντευξη για να συζητήσετε τις απόψεις σας. Μπορείτε να επιλέξετε αν προτιμάτε να πάρετε συνέντευξη μέσω **διαδικτύου** ή **πρόσωπο με πρόσωπο**. Κάθε συνάντηση θα διαρκεί περίπου μία ώρα και θα διεξάγεται στα αγγλικά.

Θα σας ζητηθεί να συζητήσετε τις απόψεις και τις εμπειρίες σας σχετικά με την γεωπολιτική κατάσταση στην Κύπρο, την ταυτότητά σας, τις αλληλεπιδράσεις σας με άλλες κοινότητες και τις σκέψεις σας για το μέλλον στο νησί. Οι συνεντεύξεις θα επικεντρωθούν στις εμπειρίες σας από το σχολικό σύστημα στην Κύπρο και σε οποιεσδήποτε άλλες εμπειρίες που μπορεί να έχετε από προγράμματα ειρήνευσης της κοινωνίας των πολιτών. Θα σας υποβληθούν ορισμένες καθορισμένες ερωτήσεις, ακολουθούμενες από μια πιο προσωπική συζήτηση για τα θέματα που περιγράφονται παραπάνω.

Παρακαλείστε να μοιραστείτε τις λεπτομέρειες αυτής της μελέτης με άλλους πιθανούς συμμετέχοντες που ταιριάζουν στο παραπάνω προφίλ.

Εάν ενδιαφέρεστε και θέλετε περισσότερες πληροφορίες, επικοινωνήστε με τον Ethan Chandler στο ethan.chandler@chch.ox.ac.uk. Η συμμετοχή σας δεν είναι υποχρεωτική.
